 - 4.d. To dissolve the unit for the MIO 10A MARK RA SUA, created by Order 264-X, effective January 8, 2002, and simultaneously to create a unit for the MIO 10A MARK RA SUA as per the plat attached hereto.
5. To consider any other matters which may be pertinent to this application.

Pertinent data concerning this application is available for inspection at the offices of W. H. Robbins and Associates, 140 Rue Beauregard Suite 100, Lafayette, Louisiana, 70508, telephone 337-232-5004. Any person wishing to inspect such data should call Arthur M. Christy at 337-232-5004 during normal business hours in order to arrange a date and time for such inspection. A copy of any such data which is not otherwise available at the Office of Conservation can be obtained from applicant at the expense of the requesting party.

By letter of January 7, 2004, Applicant gave notice, in accordance with the Revised Rules of Procedure, of its intention to apply for a public hearing concerning these matters. A timely request for a pre-application conference was not received and none was held. However, Applicant did receive and agreed to by phone conference with its consultant, Arthur M. Christy, one request for a minor revision (increase in acreage from approx. 18 to approx 21 acres) to the proposed unit for the MIO 9A Zone, Reservoir D. Additionally, the plat for the MIO 12F Sand Reservoir A, submitted with the pre-application notice was incorrectly labeled as having the Orleans Levee Board No. 2 as its unit well. This has been corrected to label the unit well as the Orleans Levee Board No. 1. Further, the plat for the Bol Zone Reservoir A, submitted with the pre-application notice was incorrectly labeled the Orleans Levee Board No. 2 as its unit well. This has been corrected to label the unit well as the Haspel & Davis No. 2.

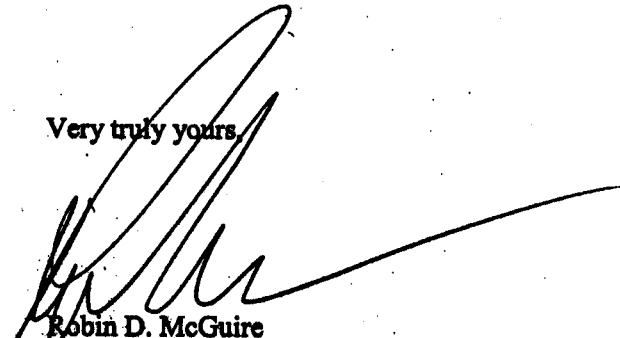

Accordingly, the proposed plats for each of these units are attached to this application. Also attached hereto is a list of names and addresses of all Interested Owners, Represented Parties and Interested Parties to whom a copy of this application is being sent, pursuant to the Revised Rules of Procedure, such list is being forwarded to the Commissioner of Conservation and to the District Manager of Lafayette, Office of Conservation. A copy of the list will be furnished by the undersigned to any party so requesting. A reasonable effort was made to obtain a complete list of Interested Owners, Represented Parties and Interested Parties.

Applicant will provide posting of a copy of the Legal Notice of this hearing and the enclosed plat at a prominent place in the area affected and will cause publication of the Legal Notice in a newspaper published in the general area of Potash Field, Plaquemines Parish, Louisiana, all in accordance with the Revised Rules of Procedure. Furthermore, a copy of the Legal Notice will be mailed to all Interested Owners, Represented Parties and Interested Parties promptly upon receipt of the Legal Notice from the Commissioner.

Finally, we enclose our check in the amount of \$7,750.00 payable to the Commissioner of Conservation for the application fee.

With kindest regards, I am

Very truly yours,

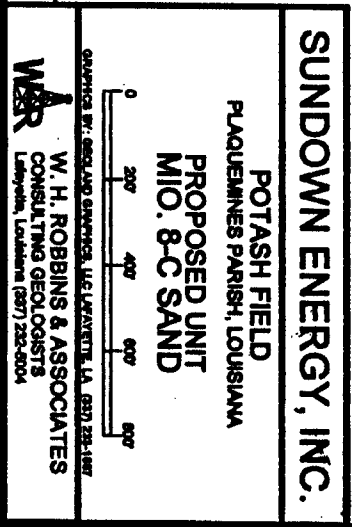

Robin D. McGuire
